freeCodeCamp - JavaScript Algorithms and Data Structures
23.08.2023

PROFILE

I am a Front-End Developer with **2+ years of experience** and a robust foundation in **HTML/CSS**, **JavaScript**, and **React.js**, dedicated to delivering user-centric and responsive web solutions. I have gained valuable experience working with backend technologies such as **Node.js/Express.js**, enriching my understanding of full-stack development. I thrive in collaborative environments, continuously enhancing my skills and embracing new challenges while remaining attuned to emerging industry trends. My commitment to excellence drives me to provide innovative and efficient solutions that enhance user experiences.

WORK EXPERIENCE

Front-End Developer

Bizon.ge   Jan 2024 - Present

- Developed and maintained responsive, user-facing features using **HTML**, **SCSS**, **JavaScript**, and **React.js**.
- Collaborated closely with design and backend teams to build dynamic web applications. Focused on writing clean,
- maintainable code and optimizing performance. Ensured a seamless, consistent user experience across all
- devices.

Back-End Developer

Doer   Nov 2024 - Present

- Designed and implemented scalable back-end solutions using **Node.js** and **Express.js**
- Collaborated with front-end teams to integrate APIs and ensure seamless functionality.
- Developed RESTful APIs to manage data and improve application performance.
- Optimized database queries and workflows for enhanced system efficiency.

Freelancer

Front-End Developer   2022 - Present

- Built responsive web applications with **React.js, Next.js** and **TypeScript**.
- Developed custom platforms with real-time search and personalized features.
- Completed **5+** projects, delivering high-quality solutions on time.

Google DSC(Developer Student Club) Team Lead

Google For Developers   Aug 2023 - Present

- Organized tech events with 200+ attendees annually, including workshops and hackathons.
- Fostered a collaborative developer community and mentored participants.
- Partnered with industry experts to deliver impactful events.
